

**WHAT PEOPLE ARE SAYING**  
*about this seminar...*

"As a Christian nurse working in mental health, I have seen that psychology alone does not usually bring total healing. The Christ-centered teaching of the Formational Prayer Seminar is helping me understand how the Holy Spirit works through the caregiver to bring inner healing, the missing piece in my work."

**ELEANOR, RN**

"The Formational Prayer Seminar is an insightful and life-giving opportunity for training in healing those with wounded hearts. I am profoundly grateful to Dr. Wardle for his open and honest approach blending sound psychology and biblical Truth."

**THOM, Pastor**

"This is not a seminar — it is an invitation to an ongoing relationship with our Healer, Jesus Christ. I took this seminar to find healing for others and found it for myself."
